

# PICKET THE PRIVATISERS

## Private companies gather to rob the NHS

### Wednesday 15 June

### 8.30 am onwards

### Commissioning 2011 Conference

- This conference is organised on the basis that the Coalition's pause in the Health Care Bill is so much window dressing.

- It is designed for GPs, already formed into consortiums, to meet dozens of private healthcare companies eager to supply them with private health services.

- Andrew Lansley, architect of the privatising Health & Social Care Bill is the keynote speaker at 9.10 am on Wednesday 15 June.

**Olympia in Earls Court**

Among the companies who will be there: Astra Zeneca, Bayer, Boots, Bosch Healthcare, Health Diagnostics, IQ Business, Leo laboratories, Omron Healthcare Ltd, Orion Pharma, PA Consulting Group, Pfizer, Reckitt Benckiser, Tribal, United Health
